- A simple line drawing of a book. The book is shown from a three-quarter perspective. The front cover is a large rectangle with a smaller, empty rectangular box in the upper center, likely representing a label or title area. The spine is on the left, and the bottom edge shows several horizontal lines representing the pages of the book. The drawing is composed of clean, black outlines on a white background.

This image shows a single sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. On the left side, there is a vertical margin line. A small portion of a yellow object, possibly a binder or clip, is visible at the top left corner. The paper appears to be part of a notebook or a set of loose-leaf papers.
