

“THE INVOLVEMENT OF THE PARISH PRIEST AT ST. CATHERINE’S IS IMPRESSIVE AND HAVING 4 DOMINICAN SISTERS IS AN INCREDIBLE AND UNIQUE BLESSING!”

We’re a family with 4 young children and one income worried about the rising costs of college education and saving for retirement. The biggest hurdle for us with Catholic school was the financial commitment. After much prayer and discernment, we decided to give everything up to God and have faith that He will ultimately provide for our needs as we trust in Him along the way.

Once we decided to invest in a solid foundation of Christian-based education, St. Catherine’s was an easy decision for us despite being geographically closer to other options. We have 2 girls and 2 boys, and we wanted to provide an environment with role models for both. The involvement of the parish priest at St. Catherine’s is impressive and having 4 Dominican Sisters is an incredible and unique blessing! These Sisters are warm, energetic, and dedicated to helping the children not only succeed academically, but also spiritually in helping them to be the best versions of themselves while respecting others.

We feel so blessed to have our children grow in this spiritual and nurturing environment.
